

Information Regarding N.C.L.P

What is N.C.L.P: The scheme was started to stop the child Labour. The main purpose of the scheme is to provide education to every child even if the child is doing Labour work. But later on According to child labour act 2006 the child labour is completely banned. The schools are being run with the help of NGO.

Objective of scheme. The main objective of the scheme is that children of age between 9 to 14 years must pass the 5th class within three years so that they can be included in the main stream.

Information regarding NCLP: The scheme was started in the three districts of Punjab. In this 40 schools were opened in Amritsar, 27 in Jalandhar and 40 in Ludhiana.

Survey of NCLP : A survey was conducted in year 2001 with the coordination of NGO by Labour department and 2055 children were identified. At that time these 2055 students were admitted in total number of 40 schools (50 students per school) with the help of NGO. But in year 2005 these 40 schools were merged into 20 schools.

Information about N.C.L.P Ludhiana: In Ludhiana district, the project is under child Labour Rehabilitation cum Welfare society Ludhiana. The members of the society are as under:
